### **MESSAGE FROM THE PRESIDENT** **Mrs. KANCHANTAI NITINJI GADKARI**

I have great pleasure in expressing my thoughts as the President of Shriram Shikshan Sanstha. Education is a process by which a person's body, mind and character are formed and strengthened. It is the bringing of head, heart and mind together thus enabling a person to develop an all-round personality by identifying the best in him or her. It is a humanizing process. TGMR is being groomed with the mission in the background. A variety of academic, aesthetic, athletic, cultural and social activities are synchronized into a single academic faculty. It is an ambitious endeavor to impart education in an innovative stress-free manner and to encourage a spirit of challenge and competitiveness. I welcome to you to this unique family and look forward to your valuable association with us for better tomorrow.

I convey my good wishes to all the students and wish them a happy and enjoyable time in our Institution

### **MESSAGE FROM OFF. PRINCIPAL** **Dr. VIJAY D. RAUT**

Welcome to Tai Golwalkar Mahavidyalaya, Ramtek a milestone of academic excellence and extra-curricular. We create a safe social and physical environment that helps all our students learn and succeed. Our college has the privilege to have healthy and harmonious ambience and the credit goes to the blessing of our elite college management and the diligence put in by learned teachers.

Different activities like NSS, student's welfare, Woman cell, Science education society, inculcate not only the love for social service, discipline, awareness for one's rights and duties, pride for Indian culture and tradition; but also make them good human beings and confident leaders. The college library subscribes all types of books, magazines and e- journals required to be apprised of the latest information to the students at the world level.
